

EVERYDAY *Adventures*

NO PASSPORT REQUIRED

Find a local gem

We don't always have to leave the country to get a break or find beauty. Take a drive to a local beach, mountain range, hiking trail, or historic town. Enjoy it like a tourist. Take pictures, journal, or draw.

Take on a new challenge

Doing something new can feel like an adventure. Try a musical instrument or join a local choir. Sign up for a community center class. Download a language app, or brush up on photography skills.

Plan an international movie and dinner night.

Find a movie that takes place in a country you hope to visit. Plan and cook an authentic meal, complete with dessert. Invite friends to join the fun. Dress up. Go all out!
